SPERA 2014 Conference
Darwin 1 - 4 September 2014

South Pacific Environmental Radioactivity Association

Charles Darwin University
Darwin, Northern Territory
Australia

Sponsorship Prospectus
Welcome

The South Pacific Environmental Radioactivity Association (SPERA) will hold its 13th biennial conference in tropical Darwin on 1–3 September 2014. This international conference provides the platform for discussion and debate among scientific experts on the occurrence, behaviour, impact and measurement of radioactive species present in the environment through natural processes, or resulting from human activities.

The 2014 SPERA conference will attract around 70 delegates from Australia, the South Pacific region and further abroad, including Asia, Europe and North America. Delegates attending the conference will be engaged in key scientific and technical roles within industry and government research organisations.

Sponsorship of the 2014 SPERA conference provides maximum visibility of your company and products to this niche market of professionals. As a conference sponsor, you will have the opportunity to network and make contact with new customers in a relaxed yet informative environment.

Your support of the 2014 SPERA conference will directly assist the development of early career professionals, as well as the knowledge transfer and research activities within SPERA. There are a variety of sponsorship packages available to suit your business needs. We hope to welcome you as a sponsor for the 2014 SPERA conference and look forward to seeing you in Darwin.

Dr Andreas Bollhöfer
Conference Chair
